On the basis of Articles 84 and 85 of the Act on Protection Against Natural and Other Disasters (Official Gazette of the Republic of Slovenia, No. 51/06-official consolidated text, 95/07-ZSPJS–H, 97/10, 21/18-ZNOrg and 117 /22, hereinafter ZVNDN), the following decree is issued

DECREE
on the determination of dangerous areas due to flooding and intervention

i.

Due to the consequences of floods caused by torrential rain and the subsequent movement of the ground in the past week, as well as due to the implementation of emergency intervention works with heavy construction machinery, the Administration for Civil Protection of the Republic of Slovenia has specified the following dangerous areas in which access is prohibited in order to ensure the safety of people and property as well as to ensure the implementation of protection, rescue and assistance:

- In the Koroška (Carinthia) region in the areas of Črna na Koroškem and Mežica
- In the Western Štajerska (Styria) region in the areas of Solčava, Luče and Mozirje and settlements enroute towards Ljubno ob Savinji.

ii.

In the specified areas, control points have been established to supervise the prohibition of unauthorised persons (day visitors, etc.) accessing certain areas. Volunteers may only enter on the basis of a document stating prior agreement with the local community or the competent humanitarian organisation(s). In accordance with paragraph 7 of the first section of Article 85 of the ZVNDN, the use of alien land is determined for the implementation of protection, rescue and assistance tasks.

Determination, type and work at checkpoints is carried out by the police in cooperation with members of the Civil Defence and firefighters.

III.

The Decree is valid from 11.8.2023 until it is revoked.
