Why choose sustainable mobility?

- By bus or bike, you can experience the Solčava region in a more relaxed and eco-friendly way. Together, we can help ensure a cleaner environment, less traffic, and a better quality of life.
- The map shows bus stops, parking lots, and bike rental locations in the Municipality of Solčava.
- You can find the current public transportation schedules via the QR codes on the other side of this brochure.

Park and explore: set out on foot or by bike from the marked parking lots.

1. **Experience more**: a slower pace allows you to observe nature and cultural heritage that you might quickly overlook when traveling by car.
2. **A healthy choice:** walking or biking are simple ways to get some exercise in the fresh air and promote well-being.
3. **Park and explore**: Leave your car in designated parking lots, then discover the Solčava region on foot or by bike.
